## RESUME

### OBJECTIVE

To offer the highest standards of quality for capturing location sound for reality television, documentaries, corporate video, commercials, and feature films. I have a lot of experience in reality television and documentary production giving me the ability to work fast and stay one step ahead. I am easy to work with and genuinely love what I do. I have experience mixing sound for multi-cam reality shows, ENG work, documentaries, commercials, independent feature films, and corporate videos.
